

On behalf of the Organizing Committee of the Summer Institute of the International Society for Human Ethology (ISHE), held in Valparaíso, Chile, from July 14th to 19th, 2025, we are pleased to confirm your presentation of the Workshop titled **“From theory to practice: Enhancing transparency and credibility through preregistration and registered reports”**.

We sincerely thank you for your participation, which contributed meaningfully to the academic exchange and discussion throughout the conference.
